

Internal Conflict Resolution

The Problem:

Unresolved conflicts within an organization decrease efficiency, productivity, and profitability.

The Solution:

1. Determine potential or existing key conflicts
2. Examine past best practices
3. Develop new conflict resolution strategies
4. Develop effective evaluation methods
5. Apply conflict resolution

Benefits to You:

- Reduce short and long term costs
- Increase employee productivity
- Decrease employee turnover
- Improve communication
- Decrease stress and burnout
- Create a healthy work place
- Prevent a crisis before it begins
