

Emotional - Anger Management Counseling

The Problem:

Abusive aggression decreases safety, efficiency, productivity, and profitability.

The Solution:

1. Develop strategies to deal with stressors before anger develops
2. Resolve conflicts in a confidential, non-confrontational and timely manner
3. Establish "safety zones" to manage disputes

Benefits to You:

- Increase productivity, efficiency and profitability
- Reduce short and long term costs
- Improve communication
- Decrease employee turnover
- Reduce absenteeism
- Create a healthy work place
- Defuse critical incidences and prevent future crises
