

Harassment Prevention

The Problem:

Harassment within the workplace decreases worker safety, efficiency, productivity, and profitability.

The Solution:

1. Promote the prevention and resolution of harassment within the workplace
2. Resolve conflicts in a confidential, non-confrontational and timely manner
3. Develop policies to promote a safe harassment free environment

Benefits to You:

- Increase efficiency, productivity and profitability
- Decrease employee turnover
- Reduce absenteeism
- Decrease stress & burnout
- Create a healthy work place
- Defuse critical incidences and prevent future crises
